IN RE: Application of WorldxChange Corp. for a) ORDER APPROVING
Certificate of Public Convenience and) NAME MODIFICATION
Necessity to Operate as a Reseller of)
Interexchange Telecommunications Services)
within the State of South Carolina.)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Application of WorldxChange Corp. (WorldxChange or the Company) for approval of a modification of the Company's name by which it will be doing business in South Carolina. WorldxChange proposes to adopt Acceris Communications Partners and Acceris Communications Solutions as "doing business as" ("d/b/a") names. WorldxChange was originally granted authority to provide resold long distance telecommunications services in the State of South Carolina by Commission Order No. 2000-987, dated December 15, 2000, issued in the name of PT-1 Counsel Inc. Thereafter, by Order No. 2002-337, dated April 25, 2002, the Commission approved a change in the Company's name to its present name of WorldxChange Corp.

Pursuant to the instructions of the Commission's Executive Director, WorldxChange published a Notice of Filing in newspapers of general circulation in the Company's service area. The Company filed affidavits showing that it had complied with

the instructions of the Commission's Executive Director. No Protests or Petitions to Intervene were filed in this matter.

By its Application, WorldxChange advises the Commission of its proposal for modification of the Company's name by the addition of d/b/a Acceris Communications Partners and Acceris Communications Solutions. According to WorldxChange, the Company's authorization will continue to be held in the name of WorldxChange although the Company will be doing business under the names of Acceris Communications Partners and Acceris Communications Solutions. WorldxChange asserts that adoption of the d/b/a names will be a valuable step in developing the Company's telecommunications services and in implementing its business plan. Moreover, WorldxChange states that adding the d/b/a names will not in any way inconvenience or cause harm to the Company's future customers nor will it affect the managerial, technical, or financial services of the Company. WorldxChange adds that the Company will file with the Commission a copy of its revised tariff

At its regularly scheduled meeting on April 22, 2003, the Commission reviewed the case before it and after due consideration, the Commission concluded that the request of WorldxChange for approval of a modification of the Company's name should be granted.

The Commission's records will hereby be amended to reflect the following modification of the name of the Company:

FROM: WorldxChange Corp.

TO: WorldxChange Corp. d/b/a Acceris Communications Partners and
Acceris Communications Solutions

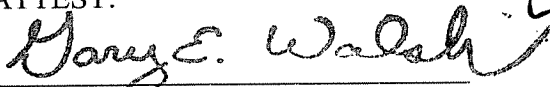

IT IS THEREFORE ORDERED THAT:

1. WorldxChange Corp.'s Application for approval of the modification of the Company's name from WorldxChange Corp. to WorldxChange Corp. d/b/a Acceris Communications Partners and Acceris Communications Solutions is approved.

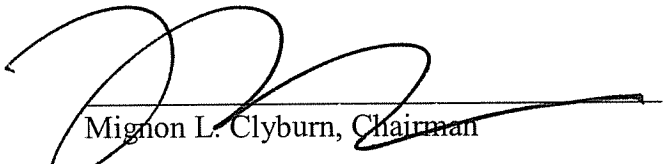

2. This Order shall remain in full force and effect until further Order of the Commission.
